ACHIEVEMENTS

Star Performer of the Month
Got Star Performer Award for on-time work delivery ,work precision and team collaboration(June 2022)

PROJECTS

Medclarity (06/2022 - Present)

- **Medclarity: Managing Healthcare Processes.** At Medclarity, we oversee patient information, doctor billing, insurance details, and payments. Our focus is on ensuring the accuracy and confidentiality of medical data, meticulously maintaining records for each patient visit.
- **Client Master Modules: Ensuring Secure Application Access.** Implemented robust measures to restrict access to only authorized individuals.

Radiation Oncology specialty (11/2020 - 05/2022)

- **Healthcare Data Integration Project.** This project efficiently captures patient details from clients in various formats, including Excel and HL7 files. It categorizes and crosswalks the data based on client rules, facilitating the seamless creation of treatment plans.
- This project uses the core point engine to read the patient details from the excel and HL7 files and insert them into our system.
